DAILY PUBLIC LEDGER—1893.

MAYSVILLE, KY., TUESDAY, JUNE 19, 1906.

ONE COPY—ONE CENT.

Mrs. G. W. Oldham of Cincinnati is spending Home-Coming with her husband and relatives. Mrs. Oldham has recovered from her recent mishap sufficiently well as to be able to get about.

A horse belonging to ex-Senator Rumrums was sold yesterday by Master Commissioner Sallee to satisfy a judgment in favor of Daulton Bros. Mr. John C. Everett was the purchaser; price, \$125.

Dr. Louis H. Landman has returned home from Europe and will be in Maysville on Thursday, June 28th. As usual he'll be at the Central Hotel on that date. Practice limited to diseases of the eye, ear, nose and throat.

We are making low prices on Silverware, Cut Glass, Clocks, and in fact anything in our line can now be had for less than "regular prices." On account of Home-Coming look up your needs in these lines and come to us. See what we can do for you. P. J. MURPHY, the Jeweler.

J. P. Ingram of the White Palace Furniture Store came near creating a riot in the East End yesterday. He had one of John I. Winter's Victor Talking Machines perched on a wagon, and stopping in front of the Ohio Valley Pulley Works he started the band a-playing. The musical notes wafted into the confines of the big plant and when they did the wheels of industry stopped and the seventy-odd men employed appeared on the sward in front of the office and enjoyed a musical matinee. It was only when the wagon drove away with the talking machine that the men returned to their work.

Beautiful Beechwood.

A big crowd was out to Beautiful Beechwood last night and the show seemed to please the patrons as well as last week's, judging from the generous applause accorded each one of the excellent acts on the program.

Mrs. Henry E. Pogue of the West End has been quite ill for the past week.

Mrs. Cora Kautz of Georgetown, O., and Mr. Harold Naden of Cincinnati are visiting their parents, Mr. and Mrs. Louis Naden of Lees street.

EXCITING RUNAWAY

Two Young Ladies Luckily Escape With Some Bad Bruises

An exciting and thrilling runaway occurred yesterday shortly before the noon hour, which caused those who witnessed it to stand with bated breath and keen anxiety for the safety of the imperiled occupants.

Miss Ellen Kirk, accompanied by Miss Lucy Ranson Baldwin, was out driving and when opposite Richeson's grocery in West Second the horse switched its tail, catching and holding the driving reins as in a vise. The animal started first in a trot, then in a dead run, and in its mad flight, kicking and plunging in a furious and frightful manner, endangering the lives of the two young ladies at every jump.

The vehicle, swaying to and fro, was being bounced along with one shaft, and in passing Daulton's livery stable came in contact with an empty buggy standing near the curbing and upset, spilling the occupants out on the hard ground. The horse, now freed from the dilapidated buggy, continued on the run.

Aside from a terrible fright, both young ladies escaped with a few slight bruises, but the experience and sensation of that wild ride down Second street on the 18th day of June, 1906, will remain with them in long years to come.

Not only Home-Comers, but ALL visitors to Maysville during the week are not only invited but entreated, during idle time, to make our large, commodious rooms their lounging place.

Incidentally, we will add, "To commemorate Home-Coming Week," we will offer extra inducements to visitors that want to buy the best clothing made in the world. Please remember that you will not be importuned to buy, but if you need anything, the pleasure will be ours.

HANDSOME DESIGN

One Page Ad of Miss Annie Poage in June Journal

Miss Annie Poage of Ashland, who is ad writer with Boggs & Buhl of Greater Pittsburgh, one of the largest drygoods stores in the country, sent us a copy of one of her late ads—one page in the June number of "Fashions," an illustrated monthly Journal for American women.

It was artistically designed—and worded to the point, though written in that smooth manner which is peculiar to her style. Every article advertised was timely and in keeping with the subject, which was "June Brides."

Miss Poage is pleased with her work and says she never saw a business conducted on more honest business principles than in this, and in writing an ad nothing is misrepresented. She says that Mr. Boggs, the senior member of the firm, who is counted one of the brightest business men anywhere, wrote his own ads for twenty-five years—and that he so thoroughly understood the work that he could detect a mistake at first glance, but was very just in a criticism.

COUNCIL PROCEEDINGS

There was a special session of the City Council last evening, Mayor W. E. Stallcup presiding and ten members answering to their names.

The meeting was called for the purpose of deciding whether the Market street sewer should be of a storm or sanitary depth. After arguing the matter pro and con it was finally decided to build it according to the plans and specifications of the City Engineer and make it a sanitary depth.

The contractors building the brick streets were allowed the use of the city machinery at a rental of \$50 per month.

Mr. E. M. Hunt of Newport was employed as City Inspector at \$4 per diem. His mission is to inspect and look after the city's interest in the construction of the brick streets.

The Mayor was authorized by resolution to pay at the end of each week the men employed in putting down the Market street sewer.

DEAR HOME-COMER!

No doubt you will find lots of changes in Maysville since you have left. If you have been absent from our little city over five years you will find a great many changes, and the next five years will bring more changes for the better than have been made in the last forty years. Since you have lived here "we three boys" are new citizens of this town. We have made this Drygoods Store the largest and best of its kind in the country in proportion to the size of the town. Now, without patents, without power or purpose to restrict trade, with no element of the trust power, HOW DID THIS STORE GROW?

BY MAKING ITSELF NECESSARY.

A public utility is "that or nothing." One has small choice in telegraph companies, railroad companies, water companies or gas companies; but as to stores, no one is obliged to come to Merz Bros. to get a supply of any necessity.

We think our store IS BEST; we know our varieties ARE LARGER; we believe we buy our goods a BIT CHEAPER; but you have to come here to find that out.

Today the largest number of discriminating people deal at Merz Bros. A scrutiny of the daily attendance at the several stores shows that most people come to Merz Bros.

There is not any idea of self glory in stating these plain, big facts to you, most welcome Home-Comers.

MAYSVILLE—ON THE OHIO, nestling in a valley as picturesque as the most favored of the Hudson or the Rhine, is an ideal spot for those who desire a home in the midst of scenic beauty unsurpassed in all the world.

Watch Maysville Grow!

It is the famous Bluegrass Region, where the farms are highly productive of all the staples, while it is the home of the celebrated White Burley Tobacco, and the center of the District which alone produces it. The city has right now a population of 10,000, and the number is increasing every few days. There are good schools, public and private; Churches of all denominations; the finest system of water-works in the United States—with three active distilleries to forestall a possible famine. We have an electric street railway, gas and electric lights; manufacturing industries so diversified that "dull times" have comparatively little effect; telegraphic and telephonic service to all points,—and more a-comin'. There are two daily passenger trains each way between New York and Honolulu, and five each way daily between the city and Cincinnati over the Chesapeake and Ohio Railway, and four daily trains each way over the L. and N. to and from all points in Central Kentucky—so if you don't like the old town after a fair trial there are ample facilities to get away. There are Lodges of all sorts of Masons and Oddfellows, big fellows and little fellows, Redmen, Knights of Pythias, P. O. S. A.'s, Junior Order, Maecobees, Eagles, Buffaloes, Elks, Knights of St. John, Grand Army Boys, Confederate Veterans, Sons of Rest, with two members of the Legislature—and if you want any others we'll get 'em. We have two daily newspapers, a free public library with accomplished lady librarians,—and as a further means of disseminating news there are innumerable sewing circles and card clubs among the Church members. These embrace a few of Maysville's present attractions; others will be added during the current summer, notably Home-Coming Week, the Fourth of July and brick streets.

If you like the prospect, Come and live with us; we will do you good—say the "do" softly, please!

Now, just watch Maysville grow!

"SMITTIE'S" Band will be here tomorrow to greet our Home-Comers; but dear old "Smittie," I trust, is Bandmaster for the angelic hosts.

It is now in order to revise your history and the "field" of your Flag. Uncle Sam has added another fair daughter to his family—Miss Oklahoma—making 46 in the household of the Union.

THE Court of Appeals having wisely decided that the public cannot be taxed on public property, the city of Newport will now go after an item of \$29,535.60 that it paid into the State Treasury as tax on the city water-works.

THE Louisville saloonkeepers have resolved that all members of their Association shall hereafter obey the Sunday Closing Law.

In the whirl of your holiday enjoyments, did you ever take a think at the newspaperman? When everyone else is 101° in the shade with carelessness and happiness, then it is that he is at work hardest. He must "mix" with the crowds, gather items from and about all comers, write up an account of all the "doin's," good and bad, and, above all, issue extra and expensive editions of his paper to accommodate the surplus matter. The only rest the active newspaperman will ever have on this earth will be when he is about four feet under the surface.

DURING the reign of the Free Pass, everytime the C. and O. ran an excursion, or offered a reduced rate to gobble up a big crowd of passengers to and from a given point, all that was necessary to "put the public next" was to send a notice to the newspapers, and they printed it freely and fully and frequently. Now, however, the Printer Man demands the ducats, just as he is required to produce the "dough" when he braces up in front of the diamond-hilted clerk and asks for a ticket to Dover. As a financial proposition, the new arrangement is much better for the newspaperman.

On a railroad over in Ohio a few days ago a spike had been driven between the ends of two rails and welded in place. The engine, baggage car and tender all went over an embankment and the balance of the train rolled on the side. The Engineer and Fireman were fatally hurt, one passenger was badly cut with glass, while the smoker overturned with sixty passengers, all of whom were more or less bruised. Inasmuch as the joker who caused this was particular to have the spike welded in place, so as to insure the perfect success of his plan, it might be in order to secure him to a neighboring limb by a logchain carefully adjusted around his neck.

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

"For nine years I dragged through a miserable existence, suffering with inflammation and female weakness and worn out with pain and weariness. I one day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

MASON'S HOME-COMERS!

Some of Those Who've Reached
Maysville Already

The Glad Hand Being Extended to
All—Program For Tomorrow at
Beautiful Beechwood

Many are here already,
And the others are on the way!

Maysville and Mason county are greeting
their returning prodigals, the fatted calf is
hustling for the tall timber, and while he may
elude the slaughter, the "yaller-legs," the
glorious "old hams," the "corn pone," and the
mint juleps of rare vintage will fall easy prey
to those who have come to renew the fellow-
ships of childhood under the old roof-tree.

May God bless every one of them; and may
their joys be full enough to lighten in some de-
gree the sadness that must fall athwart the path
of all whose kindred and friends have crossed
to the other shore!

The bell-wire is broken;
The "knocker" is gone;
The door's wide open;
Walk right in, ladies and gentlemen, and help
yourselves!

For tomorrow the program at Beechwood
Park will be as follows—

One thousand men and teams have been

ITCHING PAINFUL SORES ON HANDS

Suffered for a Long Time Without Relief—Had Three Doctors and Derived No Benefit—One Doctor Was Afraid to Touch Them—Soreness Disappeared and Hands Now Smooth After Application of

CUTICURA SOAP AND CUTICURA OINTMENT

"For a long time I suffered with sores on the hands which were itching, painful, and disagreeable. I had three doctors and derived no benefit from any of them. One doctor said he was afraid to touch my hands, so you must know how bad they were; another said I never could be cured; and the third said the sores were caused by the dipping of my hands in water in the dye-house where I work. I saw in the papers about the wonderful cures of the Cuticura Remedies and procured some of the Cuticura Soap and Cuticura Ointment. In three days after the application of the Cuticura Ointment my hands began to peel and were better. The soreness disappeared, and they are now smooth and clean, and I am still working in the dye-house.

"I strongly recommend Cuticura Soap and Cuticura Ointment to any one with sore hands, and I hope that this letter will be the means of helping other sufferers. Very truly yours, Mrs. A. E. Maurer, 2340 State St., Chicago, Ill., July 1, 1905."

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

Danger signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the coming of dropsy, diabetes or Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Maysville proof: James D. Tolle, clerk at Wood Bros' meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over my kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
